14th -16th October **2016**

on the occasion anniversary: **25th ROTARY CLUB WROCLAW / 20th ROTARY GERMAN GREAT SYMPHONY ORCHESTRA/ 100th ROTARY FOUNDATION**

Dear Friends

I cordially invite you to the **RI District 2231 Poland First Assembly**, opening a new era in the history of contemporary Polish Rotary movement.

The Assembly will be held in Wrocław, a city where the first RI District 2230 Poland-Belarus-Ukraine Assembly took place in 2000. After 19 years of joint activity, Rotarians from Ukraine and Belarus have been able to create a separate District 2232. We congratulate them and wish every success in the development of Rotarian service.

Inaugurating again the activity of the Polish District, we should not forfeit our international experience. This is why we have invited Rotarians from the **Rotary Districts of Central Europe** - spanning Scandinavia and the Balkans - to our Assembly. At this international symposium we will be discussing the values and ideals of Rotary, particularly important now, not only in our part of the Old Continent.

In addition to the District Assembly, the following seminars will be held on Saturday 15th October: Public Relations, Membership, Alumni (that is participants in all Rotary youth programmes) and **Rotary Foundation**

seminar to commemorate the **100th anniversary** of the Foundation.

The Assembly is part of the Rotary Culture Weekend programme organized by the clubs of Wrocław on the occasion of the **25th anniversary of the Rotary Club Wrocław**. A concert by the **Rotary Germany Great Symphony Orchestra** (Saturday, 15th October), which also celebrates its **20th anniversary**, will be a central event of the celebrations. The concert will be held in the new building of the National Music Forum (Narodowe Forum Muzyki). There, after the concert (in the foyer), there will be Gala Dinner, featuring the opening of the exhibition of works by the famous Rotarian sculptor, Stanisław Wysocki.

The first important event during the Rotary Culture Weekend will be an outdoor festival and exhibition of achievements of the young people participating in the **Rotary Youth Exchange Programme** in Plac Solny (Salt Square) adjacent to the Wrocław Market Place (Friday, 14th October). In addition, two exhibitions of paintings will be opened (in the Stara Giełda (Old Stock Exchange)) and the Arsenal Miejski (City Arsenal). Our guests and accompanying persons will be offered a guided sightseeing tour of the Old Town with (Saturday, 15th October).

The District Assembly in Wrocław will begin with a meeting of friends (Friday, 14th October) in the building of the Stara Giełda which houses a

stylish restaurant called Inspiration. The meeting will be preceded by a mini concert by the Sygit Band led by Rotarian Maciej Sygit in which well-known celebrities from Wrocław play and sing. The second meeting of friends in Inspiration will take place on Saturday night (15th October), after the symphony concert and Gala Dinner in the Narodowe Forum Muzyki.

This year Wrocław is the **European Capital of Culture**. Throughout the year the city hosts numerous artistic events which are worth attending while coming to the District Assembly. For more information see the website: <http://www.wroclaw2016.pl>
