Rotary Club Jelenia Góra Cieplice

DISTRICT 2231
Poland

Dear friends,

The success of the First International Conference "Interact in the Service of Peace" encouraged us to make a second edition in March 2018.

The conference will take place in Karpacz on March from 22-27 2018. As in 2016, the participants will be accommodated in the EMI guesthouse. The guest house will be for exclusive use for the participants. Address: EMI Guest House, ul. Kościuszki 13, 58-540 Karpacz, <http://www.emi.wkarpaczu.pl/>, <https://www.karpacz.pl/>.

Interactors from Israel, Germany, Ukraine and Poland are invited to participate in The Conference, along with their supervisors. We want that the past to not divide us, but with the young generations to connect our countries and nations. Let's build peace, friendship, tolerance and understanding. The activities and discussion panels with youth as well as the integration programs and tourist program will serve this purpose.

We want the participants, after returning to their countries, to become an ambassadors of peace and friendship between the nations.
